

# ADOA Asbestos Management Training

## A Risk Management Training Event

Thursday, December 10, 2015  
1:30 PM to 3:30 PM

Department of Administration  
100 North 15th Avenue  
Third Floor - Conference Room 300  
Phoenix, AZ 85007

**Who Should Attend:** Building Operations, Maintenance and Facilities Managers, Project Managers, Procurement Specialists, Risk Managers and those who supervise employees that work in an ADOA owned and managed building.

### When training is complete, participants will be able to:

- Summarize the regulations involved in asbestos management
- Explain building owner and building occupant/lessor asbestos program management responsibilities
- Discuss how to manage renovation and demolition projects in keeping with asbestos standards
- Have the opportunity to address their current asbestos concerns and questions through a round table, open discussion

### How to Register
