

Fuel Tank Program Management

**Wednesday August 12, 2015
9:00 AM to 11:00 AM**

**Department of Administration Building
100 N. 15th Avenue
Third Floor, Conference Room 300
Phoenix, Arizona 85007**

This training course is designed to give State workers who receive fuel deliveries and manage liquid fuel Aboveground Storage Tanks (ASTs) at State Facilities an overview of Regulatory Requirements and Best Management Practices.

Training will cover Federal, State, and local requirements including:

- Spill Prevention Control & Countermeasures (SPCC)
- Community Right-to-Know Act Tier II Reporting
- 40 CFR Part 112 Oil Pollution Prevention
- Fuel Dispensing and Air Permits
- Inspections and Record Keeping

How to Register

Please log on to Y.E.S. at https://portal.hris.azdoa.gov/CES/ces_login.jsp

- Under Employee Services choose Employee Training
- Registration by Category: State Risk Management Courses
- Course FTP300—Fuel Tank Program Management, Session 2*

**system tip—click on the course number, not the course description, and select the Session #*

Participants please note:

All State employees will use their badge/State ID for building access. Visitors will check in at the visitor center/badging office to obtain a temporary badge.

If you are still having difficulty registering or do not have access to Y.E.S., please call (602) 542-2175.
